

TELEPHONE ADVICE

If you need legal help with a problem, Michael Mackinnon offers advice over the telephone. A 1 hour consultation (including reading time of any material forwarded to Mr Mackinnon before the consult) costs \$330 incl. GST. At the end of it you will:

- understand your options
- be aware of any difficulties facing you; and
- know the way forward and the estimated cost

Additional costs are charged if advice is required in writing or a letter needs to be written to the other party.
